AT YOUR SERVICE

Northern Logistics

Strong Relationships Deliver Cost Management Opportunities

In the current economic climate, astute business enterprises are working diligently to effectively manage their costs while maintaining or increasing service levels to their customer base. This often requires companies to find non-traditional means of accomplishing their goals and will sometimes result in hiring consultants to assist by reviewing with “fresh eyes”. Northern Logistics is one more service offered by the Gardewine Group which can assist companies in accomplishing these goals without the added expense of a consultant.

Regardless of the location, time, pickup or delivery requirements, equipment or ancillary services needed; the experts at Northern Logistics have the background, knowledge, and expertise to meet your requirements. By combining the experience of a seasoned group of professionals, with over 50 years in the industry, Northern Logistics puts at your disposal a knowledge base capable of providing the best solution to any of your logistical challenges.

Northern Logistics is set apart from many other third part logistics (3PL) companies due to the backing of the Gardewine Group of Companies. The asset based resources of the Gardewine Group, including terminal network, fleet of equipment, and employees are available to assist in meeting virtually any requirement you might have.

Additionally, the strong relationships the Gardewine Group has built with service providers throughout North America and the world allows Northern Logistics to connect you to your custom-

ers and suppliers with excellent service and competitive pricing.

When a time critical shipment of Anodes for Hudson Bay Mining & Smelting is ready to be moved, they trust Northern Logistics to get the job done. Similarly, Northern Logistics is the preferred service provider for Hudbay Metal Marketing when it comes to moving van loads of Zinc to the United States of America. With access to a logistics coordinator at anytime of the day or night, they can be assured that their shipment will be picked up and delivered on-time.

Having a customer service focus, Northern Logistics not only strives to meet all your requirements, but also ensures the needs of your customers are fulfilled as well. This includes making delivery or pickup appointments, arranging for permits and pilot vehicles, connecting you with a customs broker, or any other exceptional requirements you may have.

Northern Logistics is at your service to meet or exceed your requirements that fall outside the traditional scope of the Gardewine Group of Companies. Contact Northern Logistics either by e-mail or call (800) 665-7340 or (204) 631-3711 to see how we can help you save time and money.

Customer Profile

HudBay Minerals and Northern Logistics

As a customer of the Gardewine Group for many years, we have utilized the services of several of their different divisions, including Gardewine North, Northern Bulk, Northern Deck, Northern Logistics, and Northern Parcel. Through these many years we have constantly received superior service, coupled with competitive rates.

The relationship between Hudbay Minerals and Northern Logistics has grown, thanks in part to the exceptional customer service, competitive rates, and their consistent performance overseeing the transportation of many of our time critical shipments.

Having a transportation partner with the capability of meeting most of the truck and courier transportation needs of Hudbay Minerals is especially valuable and of great importance to us. As a transportation provider, we hold the Gardewine Group in high regard and recommend them fully.

Laurelle Cassan
Materials & Logistics Superintendent
Hudson Bay Mining & Smelting Co. Ltd.

Bob Marshall
Logistics Manager
